*** Additional material**

Please note that some of the material is not included in the basic course.

Course Update

I am preparing edited and updated transcripts of the original webinars. Please note that just the audio of the webinars is available for the practitioner certificate. Currently I am in the middle of updating the transcripts of the Chakra Treatment part, hence why I have offered just the first two parts of the course. This part will be available soon.

NOW AVAILABLE

PART 1

Energy Activation and Self-Healing

Non-Certificate Cost: \$25

Materials: Manual 1, Energy Activation by Distance (attunement), Powerpoint presentation with edited transcript of the webinars

Practitioner Certificate Cost*: \$35

Materials: including the above and the webinar audio recordings

PART 2

Energy Balancing for Animals (Horses/Dogs/Cats)

(Pre-requisite: Part 1 unless you already have a Reiki certificate.)

Non-Certificate Cost: \$25

Materials: Manual 2, Powerpoint presentation with edited transcript of the webinars and two months FB closed group support

Practitioner Certificate Cost*: \$40

Materials: As above, plus the webinar audio recordings which correspond with the Powerpoint presentation transcripts and additional more advanced content

*To receive the Animal Reiki 1 Practitioner Certificate there are 2 other parts: Chakra Treatment and the Full Treatment - both cost \$40 each, plus there is a case study to be completed at an additional cost of \$75 for feedback and a PDF certificate. Each of these parts and the case study include 2 months FB closed group support.
