

Animal Reiki I On-Line Course

Options & Prices

This is a comprehensive and easy to follow on-line course which includes all the traditional Usui Reiki content, except the practical elements cover dogs and cats, as well as horses.

There is a lot of additional material, plus energy balancing and two craniosacral techniques that are not included in Usui Reiki courses.

You work at your own pace and have 9 months to complete the Animal Reiki 1 Practitioner Certificate including one case study which needs to be completed to receive the certificate. Alternatively, you can do the same course as a non-practitioner or receive just the basic material.
